

REMARKS

Reconsideration of the application as amended is respectfully requested. The Examiner has restricted examination of claims 20-54 in this application. Specifically, the Examiner restricted claims 20-26 to Group I as being drawn to a process of locating a coil group insertion tool, claims 27-33 and 48-54 to Group II as being drawn to a process of making a motor stator, and the Examiner restricted claims 34-40 and 41-47 to Group III as being drawn to a process of inserting coil groups.

Although Applicant does not necessarily agree with the Examiner's reasons for restriction, Applicant elects to prosecute claims 34-40 and 41-47 of Group III.

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
